Hurst Primary School
KS2 Achievers

W/E: 15 May 2026

Class	Pupil	Achievement
Ennis		We would like to nominate the **entire Year 6** cohort for their outstanding attitude, resilience and dedication throughout SATs week. Every pupil showed exceptional behaviour, effort and maturity, working incredibly hard in the lead-up to the tests and approaching each day with positivity and determination without ever complaining. This lovely year group has truly been a credit to Hurst, demonstrating teamwork, perseverance and a fantastic work ethic that they should all be extremely proud of. We certainly are proud of you!
Scott		
Backley		
Lloyd Webber	Laini H	Both for their fantastic letters written from Prince Otto to Princess Mariposa, who are two characters from year 5's class book- Clockwork. Both girls included wonderfully rich vocabulary which really brought their letters to life. They also used the success criteria to ensure that the letters included all of the elements that would make them engaging and exciting to read. Well done to both of you!
	Amelia H	
Mae	Lily R	For her excellent ideas and contributions in our English lessons his week where we have written a balanced argument. Well done Lily.
	Alex B	For being such a kind and helpful member of Mae class and for trying his best in every lesson. Keep up the great work Alex!
Wonder	William M	For his excellent answers in our SAT – style comprehension about Alice, using evidence from the text and reading around a word to work out a synonym.
	Harriet W	For her excellent work ethic and focus on work over the year. You are a roll model for the rest of the class.
Darwin	William D	William wrote a fantastic and detailed postcard about the physical features of Japan. Although this was a geography task, he impressively applied all the punctuation skills he has learned in English, including them accurately throughout his writing. His postcard was informative, well structured, and showed great care and attention to detail. Well done, William!
	Noah J	For his excellent painting skills. His control of the brush and attention to detail are outstanding. He showed a strong understanding of blending techniques, creating smooth transitions between colours.
West	Star O	For working well in Geography and producing a good "letter home from Japan", including descriptions of many of Japan's physical features.

	Skye P	For being helpful in art, going to great effort to tidy the room and resources and using her initiative to help without being asked.
Uemura	Yemi A	For consistently doing well in her weekly spelling tests and for using adventurous vocabulary in her written work.
	Emma A	For always, working hard in each lesson and especially maths this week getting onto the trickier questions and using different methods to solve them. Well done!
Mandela	August H	For acting responsibly and courageously when an indoor lunch time noise issue was getting out of hand by finding and telling a teacher, even though he risked getting himself into trouble.
	Callum H	For showing bravery and honesty by being the first to own up to some over excited rainy lunch time behaviour and setting the example for the others to follow.
Parks	Nancy R	For her excellent behaviour and for always trying her best.
	Ayla D	For her impressive close observational drawing skills.
Pankhurst	Jude E	For his great maths work all week on measures and division.
	Millie B	For working really hard all week and persevering when feeling a little under the weather.

Well done to all our super achievers this week.
