Hurst Primary School
KS2 Achievers

W/E: 08 May 2026

Class	Pupil	Achievement
Ennis	Abigail H	For her great enthusiasm and excellent progress in Maths. Her positive attitude, confidence and willingness to always try her best have played a huge part in her success. Well done!
	Freddie M	For his perseverance, determination and fantastic progress in Maths. I would also like to congratulate him on his incredible achievement of finishing 4th while representing Bexley in the Mini Marathon. A truly outstanding accomplishment!
Scott	Kayden A	For his quick mental maths skills, his supportive approach towards helping his classmates during group activities and for always striving to achieve the very best he can. Well done.
	Josh T	For his dedication, commitment and enthusiasm across all subjects. Josh, you have shown a highly dedicated attitude towards both your learning and progress. Well done for all your hard work!
Backley	Lillie B	For an excellent attitude towards her learning and listening with interest in all lessons. She also produces her work incredibly neatly.
	Hayden E	For his hard work and perseverance with his spellings. He has made excellent progress with spelling common and tricky words and is using them more accurately in his writing.
Lloyd Webber	Dougie P	For sharing his creativity with the class. Dougie writes exciting and engaging 100 word stories every week and Lloyd Webber class really enjoy listening to them. Thank you Dougie!
	Darasimi A	For being you! Darasimi is a kind, caring and empathetic class member who always follows the golden rules and is an amazing role model to her peers.
Mae	Lily G	For her effort in her handwriting when publishing her letter in our English lessons this week. Keep up the great presentation of your work, well done!
	John'ie J	For completing all of his maths work in detail and showing his understanding both in the work in his book and also through his contributions to lesson discussions. John'ie has been enthusiastic in his learning and moved onto extra maths challenges this week. Keep up the great work, John'ie!
Wonder	Miray C	For showing an excellent attitude to work in class. You have an amazing work ethic, always ready to listen and complete any tasks given to the best of your ability. Well done.
	Anthony W	For showing positive attitude to all his learning. Asking questions to ensure he is successful in his work. Brilliant.
Darwin	Evie T	For creating a detailed and visually appealing blog while using the Chromebooks. Her use of colour helped to highlight key points and made the blog engaging and enjoyable to read.
	Koko K	For his excellent science homework, where Koko used the computer to produce an animal classification key. The children in Darwin class then completed this activity for early morning work.
West	Amber A	Amber always sets a good example to others by always keeping the golden rules by her politeness.
	Meghan T	For detailed work in geography and showing good recall of previous learning about lines of latitude and longitude.

Uemura	Cam S	For his incredible knowledge of nearly all vertebrates in our science lessons! What he didn't know wasn't worth knowing! It was very helpful to the rest of the class.
	Phoebe F	For her descriptive language and using persuasive techniques when writing an advert for Tokyo in English this week.
Mandela	Brody B	We are noticing and are very impressed with how Brody is growing and maturing into such a sensible, grounded and hard-working young man of integrity. We are proud of you. Keep it up.
	Primrose P	We have such admiration and respect for Primrose. She has courage and inner strength, tries her best with a smile and is maturing into a resilient young lady. We are proud of you. Keep it up.
Parks	The Whole of Parks Class	For their excellent fossil digging skills on the trip to Lesnes Abbey.
Pankhurst	Trevanne G	For increased active listening and participation in class leading to better outcomes in her independent work.
	Rose Y	For always being ready to learn and working so hard in all lessons.

Well done to all our super achievers this week.
