Backley	Antonio W	You have worked incredibly hard during our writing lessons, and I have been so impressed with the care and effort you have put into your work. It is clear that you take great pride in presenting your ideas neatly. I have also loved seeing you apply the skills we have been discussing in class, especially your confident use of **dashes.**
	George F	I have been so impressed by the effort and determination you have shown during our writing lessons. You are always willing to ask for help when you need it and, most importantly, you listen carefully to feedback and use it to make your work even better. Your positive attitude towards improving is fantastic to see.
